

The Prize:

There will be 1 winner who will receive a cash prize of £150

How will the photographs be used?

We love using authentic photography of our members and are always looking to use more. Photographs entered into this competition may be used across all online and offline platforms. We will credit the entrant where possible.

How the winner will be announced:

The winners will be selected fairly by South Manchester Credit Union after the closing date, Tuesday 11th June, and announced on our social media channels and monthly newsletter.

Who can enter:

This competition is for anyone who is a member of South Manchester Credit Union. Any children that wish to take part must have an adult or carer submit an entry on their behalf. Anyone who isn't a member can submit an entry, so long as they become a member by the competition closing date. If you aren't a member of South Manchester Credit Union, you can enter your photographs, although you will not be considered when selecting the winners. These photographs may, however, still be used by us on our platforms, so keep an eye out!

Any entered photograph must be an authentic photograph including the entrant in the photograph. Entries that don't include the entrant will not be considered.

Any staff, directors, or their close families cannot enter this competition, but may still submit photographs. These photographs may also be used by us on all platforms.

Each person has a separate entry into the competition. At least one photograph must be provided to be entered. One person can submit up to 3 photographs for entry – any photographs entered after the third will not be entered, but may still be featured on our platforms.

Alongside each entered photograph, the entrant must provide the first name of at least one other person in the entered photograph, which would be the 'best friend'. Entrants can provide the first names of all people in the photograph if applicable.
